NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2020

1. Summary of Accounting Policies

These financial statements are special purpose financial statements that have been prepared in order to meet the requirements of the Australian Charities and Not-for-profits Commission Act 2012. The company is a not-for-profit entity for financial reporting purposes under the Australian Accounting Standards.

The financial statements have been prepared in accordance with the mandatory Australian Accounting Standards (AASs) applicable to entities reporting under the Australian Charities and Not-for-profits Commission Act 2012 and the significant accounting policies disclosed below, which the Responsible Entities have determined are appropriate to meet the needs of members. The financial statements include the recognition and measurement requirements of all AASs and the disclosure requirements of the following AASs:

AASB 101 Presentation of Financial Statements

AASB 107 Statement of Cash Flows

AASB 108 Accounting Policies, Changes in Accounting Estimates and Errors

AASB 1048 Interpretation of Standards

AASB 1054 Australian Additional Disclosures

Such accounting policies are consistent with those of previous periods unless stated otherwise.

The financial statements, except for the cash flow information, have been prepared on an accruals basis and are based on historical costs unless otherwise stated in the notes. Material accounting policies adopted in the preparation of the financial statements are presented below and have been consistently applied unless stated otherwise. The amounts presented in the financial statements have been rounded to the nearest dollar.

Accounting policies

a) Revenue

Grant revenue is recognised in the profit or loss on a systematic and rational basis over the periods of the grants upon satisfying performance obligations of the grant. Until these performance obligations are met, the entity incurs an obligation to deliver this economic value directly back to the contributor and the amount is recognised in the statement of financial position as a liability until the service has been delivered to the contributor.

If conditions are attached to the grant which must be satisfied before it is eligible to receive the contribution, the recognition of the grant as revenue will be deferred until those conditions are satisfied.

Sponsorship and fundraising revenue are recognised as revenue in the profit or loss when received or receivable.

Donations and bequests are recognised as revenue when received.

Interest revenue is recognised as it is received.

ABN 42 082 747 135

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2020

Revenue from the rendering of a service is recognised upon the delivery of the service to the customers.

All revenue is stated net of the amount of goods and services tax.

b) Inventories on Hand

Inventories are measured at the lower of cost and current replacement cost.

Inventories acquired at no cost, or for nominal consideration, are valued at the current replacement cost as at the date of acquisition.

c) Plant and Equipment

Plant and equipment are measured on a cost basis less depreciation and any impairment losses.

The carrying amount of plant and equipment is reviewed annually by the Responsible Entities to ensure it is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the assets' employment and subsequent disposal.

In the event the carrying amount of plant and equipment is greater that the recoverable amount, the carrying amount is written down immediately to the estimated recoverable amount. A formal assessment of recoverable amount is made when impairment indicators are present (refer to Note 1 (d) for details of impairment).

Plant and equipment that have been contributed at no cost, or for nominal cost, are recognised at the fair value of the asset at the date it is acquired.

Depreciation

Depreciation is provided on plant and equipment. Depreciation is calculated on a diminishing balance basis so as to write off the cost of each asset over its expected useful life.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are recognised in profit or loss in the period in which they arise.

ABN 42 082 747 135

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2020

d) Impairment of Assets

At the end of each reporting period, the entity reviews the carrying amounts of its tangible and intangible assets to determine whether there is an indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair amount less costs to sell and value in use, is compared to the asset's carrying amount. Any excess of the asset's carrying amount over its recoverable amount is recognised immediately in profit or loss.

Where the future economic benefits of the asset are not primarily dependent upon on the asset's ability to generate net cash inflows and when the entity would, if deprived of the asset, replace its remaining future economic benefits, value in use is determined as the depreciated replacement cost of an asset.

Where it is not possible to estimate the recoverable amount of a class of asset, the entity estimates the recoverable amount of the cash-generating unit to which the asset belongs.

e) Employee Provisions

Short-term employee benefits

Provision is made for the company's obligation for short-term employee benefits. Shortterm employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employee renders the related service. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The company's obligations for short-term employee benefits are recognised as a part of payables and accruals in the statement of financial position.

Contributions are made by the entity to an employee superannuation fund and are charged as expenses when incurred.

f) Cash on Hand

Cash on hand equivalents includes cash on hand, deposits held at-call with banks and other short-term highly liquid investments with original maturities of three months or less.

g) Receivables and Other Debtors

Receivables and other debtors include amounts due from donors and any outstanding grant receipts. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

ABN 42 082 747 135

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2020

h) Goods and Services Tax (GST)

Revenues, expense and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the statement of financial position.

i) Income Tax

No provision for income tax has been raised as the entity is exempt from the income tax under DIV 50 of the Income Tax Assessment Act 1997.

j) Provisions

Provisions are recognised when the entity has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions recognised represent the best estimate of the amounts required to settle the obligation at the end of the reporting period.

k) Payable and Accruals

Payables and Accruals represent the liability outstanding at the end of the reporting period for goods and services received by the company during the reporting period which remain unpaid.

I) Financial Instruments

Initial recognition and measurement

Financial assets and financial liabilities are recognised when the entity becomes a party to the contractual provisions to the instrument. For financial assets, this is equivalent to the date that the company commits itself to either purchase or sell the asset (i.e. trade date accounting is adopted).

Financial instruments are initially measured at fair value plus transaction costs except where the instrument is classified "at fair value through profit loss", in which case transaction costs are expensed to profit or loss immediately.

ABN 42 082 747 135

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2020

Classification and subsequent measurement

Financial instruments are subsequently measured at fair value, amortised cost using the effective interest method, or cost. Where available, quoted prices in an active market are used to determine fair value. In other circumstances, valuation techniques are adopted.

Amortised cost is calculated as the amount at which the financial asset or financial liability is measured at initial recognition less principal repayments and any reduction for impairment, and adjusted for any cumulative amortisation of the difference between that initial amount and the maturity amount calculated using the effective interest method.

Fair value is the price the company would receive to sell an asset or would have to pay to transfer a liability in an orderly (i.e. unforced) transaction between independent, knowledgeable and willing market participants at the measurement date. Fair value is determined based on current bid prices of all quoted investments. Valuation techniques are applied to determine the fair value for all unlisted securities, including recent arm's length transactions, reference to similar instruments and option pricing models.

(i) Amortised cost

The company's financial assets measured at amortised cost comprise cash assets and trade and other receivables in the statement of financial position. Subsequent to initial recognition, these assets are carried at amortised cost using the effective interest rate method less any provision for impairment. Interest income and impairment are recognised in profit or loss. Gain or loss on derecognition is recognised in profit or loss.

(ii) Financial assets at fair value through profit or loss

The company has a number of strategic investments in listed and unlisted entities over which are they do not have significant influence nor control. The company has made an irrevocable election to classify these investments as fair value through profit or loss. These investments are carried at fair value with changes in fair value recognised in profit or loss. Dividends and other net gains and losses are recognised as income in profit or loss.

m) Contingent Liabilities

There are no contingent liabilities that have been incurred in relation to 2020 or 2019.

n) Subsequent Events

The company has been eligible and has been receiving the JobKeeper subsidies during the financial year and is also eligible for the first quarter of 2021. The JobKeeper subsidies ended on 28 March 2021.

No other adjusting or significant non-adjusting events have occurred between the reporting date and the date of authorisation.

ABN 42 082 747 135

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2020

o) Critical Accounting Estimates and Judgments

The Responsible Entities evaluate estimates and judgements incorporated into the financial statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the company.

There are no critical accounting estimates and judgements that have any significant effect on the financial statements.

p) Lease accounting

At the lease commencement, the entity recognises a right-of-use asset and associated lease liability for the lease term.

The right-of-use asset is measured using the cost model where cost on initial recognition comprises of the lease liability.

The right-of-use asset is depreciated over the lease term on a straight-line-basis and assessed for impairment in accordance with the impairment of assets accounting policy. The right-of-use asset is assessed for impairment indicators at each reporting date. The lease liability is initially measured at the present value of the remaining lease payments at the commencement of the lease. The discount rate is the entity's incremental borrowing rate.

Subsequent to initial recognition, the lease liability is measured at amortised cost using the effective interest rate method.

q) New standards and interpretations not yet adopted

The company is not aware of any new standards and interpretations not yet adopted that will have any significant impact on its financial statements.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF AUSTRALIAN CROHN'S AND COLITIS ASSOCIATION TRADING AS CROHN'S & COLITIS AUSTRALIA

Report on the Audit of the Financial Report

Opinion

We have audited the financial report of Crohn's & Colitis Australia (the company), which comprises the statement of financial position as at 31 December 2020 and statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the Responsible Entities' declaration.

In our opinion, the accompanying financial report of Crohn's & Colitis Australia has been prepared in accordance with Division 60 of the Australian Charities and Not-for-profits Commission Act 2012, including:

- giving a true and fair view of the company's financial position as at 31 December 2020 and of its performance for the year then ended; and
- complying with Australian Accounting Standards to the extent described in Note 1, and Division 60 of the Australian Charities and Not-for-profits Commission Regulation 2013.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the company in accordance with the auditor independence requirements of the Australian Charities and Not-for-profits Commission Act 2012 and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (including Independence Standards) (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF AUSTRALIAN CROHN'S AND COLITIS ASSOCIATION TRADING AS CROHN'S & COLITIS AUSTRALIA

Basis of Accounting

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the Responsible Entities' financial reporting responsibilities under the Australian Charities and Not-for-profits Commission Act 2012. As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

Responsibilities of the Responsible Entities for the Financial Report

The Responsible Entities of the company are responsible for the preparation of the financial report that gives a true and fair view and have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the requirements of the Australian Charities and Not-for-profits Commission Act 2012 and is appropriate to meet the needs of the members. The Responsible Entities' responsibility also includes such internal control as the Responsible Entities determine is necessary to enable the preparation of a financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Responsible Entities are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the Responsible Entities either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at: http://www.auasb.gov.au/Home.aspx. This description forms part of our auditor's report.
